PATIENT PAYMENT RESPONSIBILITY

Payments to Gastroenterology Specialists, Inc. may be made by cash, check, Visa, MasterCard, Discover, or American Express. Patients are required to provide GSI with correct insurance information and are responsible for all charges incurred as a result of incorrect and/or insufficient information provided.

Please remember insurance is considered a method of reimbursing the patient for fees paid to the physician and is not a substitute for payment. Some companies pay fixed allowances for certain procedures, and others pay a percentage of the charge. It is your responsibility to pay any deductible amount, co-insurance, or any other balance not paid for by your insurance. Patients are expected to pay any copays and/or deductibles at the time of each visit. Patients with no insurance are expected to pay in full at the time of each visit. GSI strives to include all charges at the time of service, but occasionally, charges may be added or modified after the visit. (For example: an additional blood or urine tests may be ordered or the level of service provided during a consultation may be modified per American Medical Association guidelines). GSI will bill all insurance claims as a courtesy to patients, but the patient, **NOT** the insurance provider, is responsible for the payment of all services. Patients who disagree with any charges must contact this office in writing within thirty (30) days of the billing date. A refund will be issued if GSI receives an insurance payment for a charge already paid by a patient. GSI will gladly resubmit a corrected claim if an error was made on the original claim.

Gastroenterology Specialists, Inc. reserves the right to charge a fee for delinquent accounts and for submitting insurance forms after sixty (60) days. If ongoing medical care is needed, patients are expected to make payments on old balances as well as payment in full for new charges at the time of service. Negative or positive account balances of \$15 or less will not be collected or refunded. A \$35 fee will be charged for returned checks. A \$50 service charge may be added to accounts when an unpaid balance remains after two statements have been sent. Accounts with balances over ninety (90) days may be transferred to a collection agency.

Gastroenterology Specialists, Inc. reserves the right to charge a fee for missed, cancelled, and rescheduled appointments with less than sufficient notice.
